PROJECT EXPERIENCE

1) MySCUE (<https://myscue.com/>)

It is a platform created for the purpose of solving the worries and problems of family members who support seniors on a daily basis

2) NEA/IBN

It is a Nepali Government Project prepared to track the flow of Project progress and materials used for National Pride Projects.

3) Practical Action - Cookstove

This project was prepared to track the sales and demand for modern cookstoves sold in rural areas of Nepal.

4) Surya Kiran Driving School(www.skds.com.np)

I have solely created Laravel CMS and handed to my client. This application helps company to track income, expenses, savings, admissions, attendances and so on

HOBBIES AND INTEREST

MUSIC

After programming, I love music the most. I write, compose and sing songs. I have learned Indian Classical Music for 4 years.

READING

I have read dozens of books in my spare time. I especially love to read self-help books which motivates me to go forward.
